<b>Subject:</b>	<b>Revised:</b> Trade Information Warehouse Rename Event Processing for TNK-BP International Limited

Please be advised that, as set forth in Section VII of the Trade Warehouse Appendix to The Warehouse Trust Company LLC Operating Procedures, it has been requested that the Trade Information Warehouse (“TIW”) create a Rename Event for TNK-BP International Limited. This request has been made by Successor Query Working Group.

Following are the pertinent details of the rename event:

#### Senior Reference Obligation

Successor Event Name: TNK-BP AUG14  
Old Reference Entity: TNK-BP International Limited  
New Reference Entity: Rosneft International Holdings Limited  
New RED: GND9B5AA4  
New Reference Entity ISIN : XS0261906738

Event Processing Start Date: August 13th, 2014  
Event Processing End Date: August 15th, 2014

Events that are set for Auto-Auto adherence will mean that the TIW will automatically adhere all transactions with the relevant reference entity name, regardless of the reference obligation used on that transaction.

If firms do not want transactions to be renamed in accordance with these events, firms must un-adhere those transactions. This un-adherence should be completed prior to August 13<sup>th</sup>, 2014, the Event Processing Start Date of these events. The TIW will only process Records that remain adhered by both parties. Additional information can be found in the Product Training and Support section of the TIW in a Self Study Guide: Practical Guide – Successor Events Processing.
