Santander Issuances, S.A. Unipersonal has announced the following interest payment.

On Payment Date, all holders will receive this interest payment free of Spanish Non-Resident Income Tax, provided that the paying agent submits a statement in accordance with the form attached as an annex to Royal Decree 1145/2011 (RD 1145/2011).

***ALL DOCUMENTATION IS CREATED THROUGH ESP**

ESP, powered by GlobeTax, is an electronic withholding tax submission system. This system allows for the secure and simplified transfer of beneficial owner level data from the Participant to GlobeTax and creates applicable documentation on behalf of the Participant.

Submit the data online through the web site below, print out the documents on letterhead, sign them, and:

- a) scan the ESP created Exhibit I and email it to SpainESP@globetax.com; OR
- b) fax the ESP created Exhibit I to 1-212-747-0029; AND
- c) mail the ESP created Exhibit I to GlobeTax at the address below

These claims should be submitted through the following web site. (Requires a one-time registration)

<https://www.esp.globetax.com>

Please contact Ms. Sherelle Isaacs at 1-212-747-9100 or via email at SpainESP@globetax.com if you have any questions about this process.

DESIGNATED INTERMEDIARIES

Intermediaries (i.e. Omnibus accounts) may be designated through the ESP system by checking a box on the review and submit page and then entering in contact details and the account number or TIN# of the intermediary.

The Intermediaries will be notified of their designation automatically through the system and will be able to continue to provide details on their designated position directly through the ESP system, without any further action taken by the DTC Participants. GlobeTax recommends that DTCC Participants introduce the system to those who they designate as intermediaries so that they know to expect the email and who they can contact should they have any questions about the system.

Intermediaries will not be able to provide details that exceed the payment date position allocated to them by any of the intermediaries upstream, including DTC Participants.

The ESP system can source the beneficial owner data through six levels of intermediaries.

Please refer to the "USER GUIDE" available on the top banner of the ESP site for more details on the ESP system, as designed for the Voluntary Disclosure Procedure.
