This notice is to inform Members that DTC is updating its client directories to include all current Members. DTC has historically excluded certain Members from its directories at those Members' request. However, DTC will no longer accept these requests in order to improve the transparency of its directories.

Therefore, effective immediately, the DTC Member directories that are published on our website at <https://www.dtcc.com/client-center/dtc-directories> will reflect all current Member memberships as of the date thereof. Client directories will continue to be updated monthly.
