

**Important Notice**  
National Securities Clearing Corporation

<b>A #:</b>	9454
<b>P&amp;S:</b>	9027
<b>Date:</b>	JUNE 27, 2024
<b>To:</b>	ALL ACATS USERS
<b>Category:</b>	CLEARING SERVICES - EQUITIES
<b>From:</b>	DTCC PRODUCT MANAGEMENT
<b>Attention:</b>	DIRECTOR OF OPERATIONS, ACCOUNT TRANSFERS DEPARTMENT
<b>Subject:</b>	ACATS VIA DTCC PORTAL URL UPDATE 4 – FOR .NET USERS

This notice is a follow up to Important Notice [A9378](#) (dated January 12, 2024) ‘NSCC Web Application Modernization Initiative – Member Impact’. The previous important notice announced upcoming technology upgrades that would impact various DTCC web portal application URL’s.

**ACATS has completed its upgrades on portal.dtcc.com (see Important Notice [A9435](#)). The next URL change will be for users that access the portal via portal.dtcc.net.**

For further information, refer to the table below.

<b>Web Application</b>	<b>PSE Open for Testing</b>	<b>Go-Live Date</b>
Automated Customer Account Transfer Service (ACATS)	Updated – for both ‘.com’ and ‘.net’ URLs	Updated for ‘.com’ as of 6/21/24 <b>8/9/2024 for ‘.net’</b>

**.NET Client Impact**

There will be no change to the existing product functionalities. As a result, clients should be able to use and navigate the web application as they currently do. However, due to the creation of new URLs, access points to these applications will change, and firms are advised to:

1. Confirm whether your firm accesses the above applications over the ‘.com’ or the ‘.net’ path. If your firm utilizes the ‘.net’ connectivity, further work is needed on the part of your firm.
2. Make **networking changes** for your firm’s ‘.net’ connectivity, in both the PSE and Production environments to ensure that you maintain access to the applications after the deployment.
3. Test and confirm the completion of the connectivity changes.

**Documentation**

Additionally, comprehensive technical network connectivity guides have been created and are available on DTCC Learning site at [www.dtcclearning.com](http://www.dtcclearning.com). Note that you will need to have access to the DTCC

DTCC offers enhanced access to all important notices via a Web-based subscription service. The notification system leverages RSS Newsfeeds, providing significant benefits including real-time updates and customizable delivery. To learn more and to set up your own DTCC RSS alerts, visit [http://www.dtcc.com/subscription\\_form.php](http://www.dtcc.com/subscription_form.php).

Learning Center to get to the document. If you do not have the requisite access, you can register with the Learning Center directly on the web site.
